RESPONSE TO INVITATION TO PAY ADDITIONAL FEES

Mail Stop PCT, Attn: ISA/US
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

ATTENTION: Irene Marx
Authorized Officer

Dear Ms. Marx:

In response to the Invitation to Pay Additional Fees pursuant to PCT Article 17(3)(a) and Rule 40.1, having a date of mailing of 30 July 2004, and requiring response within 15 days thereof, or by 14 August, 2004 (copy enclosed), Applicants submit herewith a check for \$210.00. The ISA/US notes that the claims contain five groups of claims corresponding to five inventions as follows:

Group I, claims 1-14, drawn to methods of treating bacterial infections with at least two bacteriophage derived lytic enzymes.

Group II, claims 15-17 and 19-23 drawn to compositions comprising at least two bacteriophage derived lytic enzymes.

Group III, claim 18, drawn to a screening method.

Group IV, claim 24, drawn to a method of decontaminating a surface.

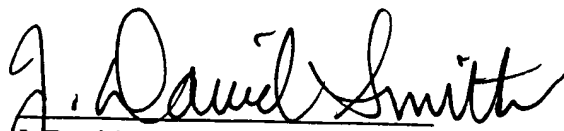

Group V, claims 25-29 drawn to a method of making compositions comprising at least two bacteriophage lytic enzymes.

In the absence of a response, the PCT will only search the claims of Group I, claims 1-14, methods of treating or preventing bacterial infections.

While Applicants are submitting payment for the examination of one additional group, namely Group II, claims 15-17 and 19-23, such payment is made under protest, as it is believed that compositions comprising at least two bacteriophage derived lytic enzymes and a method of treating or preventing bacterial infections with at least two bacteriophage derived lytic enzymes are so linked as to form a single inventive concept under PCT Rule 13.1.

Applicants remit payment so that the claims corresponding to Group I (claims 1-14 drawn to a method of treating or preventing bacterial infections with at least two bacteriophage derived lytic enzymes) and Group II (claims 15-17 and 19-23 drawn to compositions comprising at least two bacteriophage derived lytic enzymes) will now be searched. However Applicants believe that a refund of the additional search fee is in order in view of the single inventive concept between Group I and Group II.

Respectfully submitted,

J. David Smith
